PROBABILITY, STATISTICS AND TRUTH (PAPERBACK)

Dover Publications Inc., United States, 1981. Paperback. Condition: New. 2nd Revised ed. Language: English. Brand new Book. The science of probability -- the systematic study of mass phenomena and repetitive events -- was not fully established as such until about 1919. Nine years later, Richard von Mises, one of its pioneers, brought out the first edition of this book -- what has become the classic treatment of the foundations of probability theory. The present text reproduces the most authoritative translation...
